Well wishes from the German Medical Association

Dear Dr Sejdiu,

On behalf of the German Medical Association's leadership and Department for International Affairs, I would like to extend our warm wishes for a continued full and speedy recovery.

We were pleased to learn from your recent video message that your recuperation has progressed well enough to allow you to run for re-election as president of the Kosovo Doctors Chamber.

As the election approaches, we would like to assure the Kosovo Doctors Chamber of our steadfast support and commitment to the robust system of medical self-governance you and your colleagues have established and cultivated in the Republic of Kosovo.

With great respect for your notable contributions to upholding quality of care, even as you navigate your own health challenges, we wish you continued progress and look forward to seeing you in May at the German Medical Assembly in Hannover.

Yours sincerely,

Dr Klaus Reinhardt
